

Smart Home Devices Currently Installed:

Nest Thermostat (will be included in home purchase).

The following devices are negotiable:

3 - Linksys Velop Router Nodes (supports whole house mesh Wi-Fi)

5 - Blink XT Wireless Cameras with hub

1 - Samsung Smartthings hub

1 - Schlage Keyless Deadbolt (remote control via the Smartthings hub)

1 - Dome water valve control (remote control via the Smartthings hub)

1 - Water sensor (notifies via Smartthings hub)

1 - remote plug-in (remote control via Smartthings hub)

Smartthings hub can have automation set up to take actions when sensors activate such as close water valve if water detected.

The installed modem is owned by Spectrum and must be returned.
